

CV of Ayşe Aylin Küntay Copty

November 26, 2012

Aylin C. Küntay

Department of Psychology
Koç University
Rumeli Feneri Yolu
Sarıyer 34450, Istanbul
Turkey

Tel: +90 212.338.3136

Fax: +90 212.338.3760

Email: akuntay@ku.edu.tr

Education

- University of California at Berkeley: MIS in Information Management & Systems, May 1999 (Thesis title: End-User Search Behavior on MelWeb: A Longitudinal Study)
- University of California at Berkeley: Ph.D. in Psychology, 1997 (Dissertation title: Extended Discourse Skills of Turkish Preschoolers Across Shifting Contexts)
- University of California at Berkeley: M.A. in Psychology, 1995
- Boğaziçi University, Istanbul: B.A. in Psychology with high honors, 1989

Employment

- **December 2010-now**

Professor at Koç University, Istanbul, since 23 December, 2010

- **April 2005- December 2010**

Associate Professor at Koç University, 18 April 2005-23 December 2010

- **September 1999-April 2005**

Assistant Professor at Koç University, Istanbul

- **January 1999-June 1999**

Teaching Assistant for Prof. David Kaufmann, Education, UC Berkeley. *Introduction to Cognitive Science.*

- **May 1995-December 1998**

Postdoctoral researcher and Research Assistant in Turkish Electronic Living Lexicon (TELL) project, Department of Linguistics, UC Berkeley

- **May 1994-August 1994**

Research Assistant for Prof. Susan M. Ervin-Tripp, Psychology Department, UC Berkeley.
(Developed coding schemes for analyzing naturalistic conversational and narrative discourse)

- **Fall 1993**

Teaching Assistant for Prof. Jonas Langer, Psychology Department, UC Berkeley. Psychology 142: *Cognitive Development*.

- **Fall 1992**

Teaching Assistant for Prof. Susan M. Ervin-Tripp, Psychology Department, UC Berkeley.
Bilingualism and Second Language Learning.

- **Spring 1992**

Teaching Assistant for Prof. Dan I. Slobin, Psychology Department, UC Berkeley.
Psycholinguistics.

- **January 1991 - December 1991**

Research Assistant for Prof. Dan Slobin, Psychology Department, UC Berkeley.
(Conducted grammatical and morphological analysis of language of a 60 children corpus using a crosslinguistic framework)

- **August 1989-December 1990**

Research Assistant for Prof. Dan Slobin, Psychology Department, UC Berkeley.
(Participated in data preparation and analysis of an English/Turkish bilingual case study in a child aged 2;5 to 3;0)

- **January 1987-May 1989**

Research Assistant for Prof. Güler Fisek, Psychology Department, Bogaziçi University, Istanbul.
(Participated in research on communication patterns in Turkish families with and without clinical problems)

Honors and awards

- Appointment as Professor to the Prince Claus Chair in Development and Equity, Utrecht University, the Netherlands 2012-2014
- Member of the 3-person Nominating and Appointing Committee for the International Association for the Study of Child Language (IASCL), 2010-2013
- Elected to the Executive Council for the International Association for the Study of Child Language (IASCL), 2008-2014
- Turkish National Academy of Sciences (TÜBA), Outstanding Young Scientist Award, 2002-2005

- Evelyn Steel Little Fellowship, School of Information Management and Systems, 1998-1999
- Joechel Memorial Fund Fellowship, School of Information Management and Systems, 1997-1998
- University of California Regents Fellowship, 1993-1994
- Mellon Foundation Grant (support for conducting dissertation research), Spring 1993-Summer 1993
- Institute of Human Development Award (support for covering tuition and fees, 1989-90, 1990-91, 1991-92 academic years)
- Nonresident Tuition Scholarship, Department of Psychology, UC Berkeley, Fall 1989, Fall 1990

Recent invited talks

How does extended referential discourse integrate speech and other communicative devices in early child-caregiver Interaction? Keynote speech for Seminar on Socio-cognitive Mechanisms of Symbolic Communication.(Dr. Paul Vogt). Tilburg University, Netherlands. January 26, 2012.

When referential introductions (don't) go awry in preschool children's narrative discourse. Seminar on Communicative Development (Dr. Danielle Matthews). Sheffield University, UK. January 18, 2012.

Expert comments on "Linguistic results: Orthography and literate structures". Closing conference of the "Literacy Acquisition in Schools" project (Dr. Christoph Schroeder). Potsdam University, Germany. September 16, 2011.

Where words fall short: Non-speech communicative devices of Turkish toddlers and their caregivers. With Ö.E. Demir & A.B. Ateş Şen. Invited symposium in the Regional Conference of the International Association for Cross-Cultural Psychology (Dr. Zeynep Aycan). July 2, 2011.

Predictive processing in children acquiring Turkish. Boğaziçi University, LingDays (Dr. Eser Erguvanlı-Taylan). With D. Özge & J. Snedeker. May 31, 2011.

TİGE, Turkish Communicative Development Inventory: The adaptation process and some results. Boğaziçi University, LingDays (Dr. Eser Erguvanlı-Taylan). With A. Aksu-Koç. May 31, 2011.

Dil ve iletişim becerilerinin gelişimi ("Development of language and communication skills") Vth Işık Savaşır Symposium of Clinical Psychology. Adnan Menderes University (Dr. Mehmet Eskin). May 19, 2011.

Socio-cognitive development at preschool ages is affected by book-reading interactions. Course on Designing Children's Books (Dr. Ilgım Veryeri Alaca). May 5, 2011.

Language and communication in early childhood. Early Childhood Development Course, Round II, Netherlands Institute of Higher Education-Ankara (NIHA) & Sardes & ICDI (Dr. Jeroen Aarssen). January 6, 2011.

Why (we) bother about crosslinguistic experimental work in studying language development.

University of Connecticut, Psychology Department (Dr. Letitia Naigles). November 8, 2010.

Language and communication in early childhood: A Turkish emphasis. Early Childhood Development Course, Round I, Netherlands Institute of Higher Education-Ankara (NIHA) & Sardes & ICDI (Dr. Jeroen Aarssen). January 15, 2010.

Dil ve iletişim becerilerinin gelişimi (“Development of language and communication skills”) Psychology Days, Okan University (Dr. Dilek Şirvanlı-Özen). April 29, 2010.

Vocabulary development in 3-year-olds: Contexts and predictors. MOCEV-AÇEP (Mother Child Education Foundation). With N. Baydar, Z. Cemalcılar, F. Gökşen, B. Yağmurlu. November 12, 2009.

Do Turkish-speaking preschoolers pick up on relative clauses in referential communication? Boğaziçi University, LingDays (Dr. Eser Erguvanlı-Taylan). With A. Sarılar. May 27, 2009.

First language development. Boğaziçi University, Department of Foreign Language Education (Dr. Ayşe Gürel). November 5, 2008.

Making a linguistic choice with audience visual access in mind. Max Planck Institute of Evolutionary Anthropology. Lyon, France (Dr. Gerlind Hauser-Dr. Danielle Matthews-Dr. Michael Tomasello). April 14, 2009.

Okul öncesi dönemde dil gelişimi (“Language development in preschool years”). METU, Psychology Days. March 12, 2009.

Pragmatic language development. Keynote talk in Language and Communications Disorders Congress (Dr. Pınar Ege). Kuşadası, Aydın. April 30, 2009.

Children’s conversational narratives in preschool settings: Occasions, functions, and structures. Bilgi University, Comparative Literature and Psychology Departments (Dr. Christoph Schroeder & Dr. Diana Sunar). April 11, 2007.

Research in language development: Importance and methods of early assessment. American Hospital, Istanbul (Dr. Gülnihal Şarman). May 12, 2006.

Children’s conversational narratives in preschool settings: Occasions, functions, and structures. Keynote talk for Analysing Interactions in Childhood: Methods and Applications, ESRC Seminar, University of Sheffield, UK (Dr. Hilary Gardner), September 14, 2006.

Young children’s peer interactions and conversations. Data session with B. Köymen. Analysing Interactions in Childhood: Methods and Applications, ESRC Seminar, University of Sheffield, UK (Dr. Hilary Gardner), September 14, 2006.

Language and narrative development during preschool years, Hacettepe University, Department of Psychology (Dr. Melike Sayıl), October, 2006.

Expression of causal relations in elicited narrative discourse: A developmental and crosslinguistic account. Cognitive Science Group, Boğaziçi University, November 2002.
